Committees will be limited in size (due to room sizes) and will be filled on a first come, first serve basis. Get your delegate/committee list in as early as possible. Please try to fill GA and Eco Soc as a first priority. Beyond that, choose committees in which your nation would have the most interest. Due to space considerations, no double delegations will be allowed except in GA and in Press Corps. Remember that the Security Council space should only be filled if your school is assigned a Security Council nation.

Since we will be using this form to create name tags, *please* PRINT or TYPE names.
Use a separate form for each country (name tags printed by country, not by school).
